

SINE SIDETABLE

The SINE side table was originally designed to be a home cinema side table. With the transparency of the steel rods drawing a solid form, the sturdy base provides a play on light and shadow.

The solid base construction comes with a powder coated finish and is available in two standard sizes. Top options are either timber or stone.

Dimensions:
350diax430h; 800diax390h

Base Finish:
powder coated standard colours

Top Options:
timber: american oak/blackbutt stained, coloured or clear coat;
stone: natural stones available in polished, honed or textured finish;
